COVID-19 Update:

COVID Numbers	Current 8	Last Week 11
	Exposures 22	Last Week 30
	Symptomatic 5	Last Week 7

Currently we have three students quarantining on campus. "Each ELT member, please pass down through your division that the campus is looking at the leadership for following masks and physical distancing. As the President has said, "what we do in moderation, they will practice in excess". Each time campus leaders do not social distance or wear a mask, it gets noticed.

President Markwood:

Remain vigilant for the rest of the semester regarding COVID-19. National reports indicate a dangerous fall and winter.

President's meeting with Chancellor last week –

1. Take a look at our Strategic Plan – Gina and Deborah – will form a small group to review current plan. What has COVID made irrelevant and areas we do need to focus on.

Need to emphasize flu vaccines.

Holiday closures and staffing. Working with Carole and Chip on Post-Thanksgiving schedule for staff. Practices to remain socially distance but have staff back on campus fulltime.

Need to have conversations regarding the week of December 25 when the campus is closed for the holidays as far as staffing, Schwob School of Music, etc.

Next ELT meeting is scheduled for Thursday, October 15 at 9:00 a.m.

There being no other business to discuss, meeting was adjourned at 10:25 a.m.

Respectfully submitted by,

Nancy Marino.
